

GIVE+Swipe

Anytime, Anywhere Payments or Gifts

Give+ Swipe is a secure, mobile card reader powered by Vanco's free Mobile Access app that gives you the flexibility to quickly and easily accept one-time payments or gifts — anywhere, anytime.

Simply plug the card reader into the audio jack of your tablet or smartphone, login to Mobile Access and start taking debit/credit payments for tickets or merchandise at your next event, auction or festival.

Unlike other card readers, Give+ Swipe is especially designed for faith-based organizations and fully integrates with your other Vanco products and services to streamline reporting.

Flexible and Secure

- Swiped and keyed card entry
- Encrypted card reader ensures secure processing
- Compatible with both Apple® and Android™ devices
- User authentication with online PIN to open app
- CVV entry for fraud protection
- Live support — call or email directly from the app

Powered by Mobile Access

Vanco's Mobile Access app is the engine that runs our mobile card readers. Simply download the free app to as many devices as you need. It is easy to use and gives you control over your transactions:

- Assign transactions to multiple funds
- View complete transaction history
- Refund existing transactions
- Email receipts
