

Electronic Giving Options

e-Giving for United Methodist churches

Trusted by more than 20,000 churches, Vanco Payment Solutions offers a complete suite of electronic giving solutions designed to help strengthen and grow financial stewardship.

Inspire Generosity with Give+

With our simple, modern suite of giving options, members and guests can give when and how they want.

Give+ Online. Offer the next generation of online giving with an easy-to-use embedded form that can be placed on any page of your website.

Give+ Mobile. Put the power of smartphone giving directly in the hands of members and guests — free downloads available on the App Store and Google Play. For UMC clients, Vanco proudly processes donations for the [Joyfully2UMC](#) giving app.

Give+ Text. Provide one of the fastest ways to give — members and guests can make one-time or recurring gifts by simply sending a text message.

Give+ Kiosk. Empower self-service giving anywhere in the church community with a kiosk that features an iPad touchscreen and built-in printer.

Give+ Swipe. Accept payments for tickets or merchandise anywhere, anytime with a secure, mobile card reader powered by our Mobile Access app.

We also offer **hosted online giving pages** to complement your financial stewardship program.

Visit vancopayments.com/giveplus to learn more.

Since 2002, we've listened to our loyal family of United Methodist churches, understood their giving needs and supported them through every step of building a complete electronic giving program.

The only giving provider you'll ever need

Our complete e-Giving suite meets the highest PCI-DSS standards for data security, and we reliably deposit contributions directly into church accounts as soon as the next business day. We offer simple, straightforward plans with flat monthly fees and low rates — no start-up costs, hidden fees or long-term contracts. With personalized training and dedicated giving coaches, we'll assist you in launching and growing your e-Giving program.
